● Monsoon Trek to Harihar Fort

Dear Travel enthusiasts

SAHYOGMANTRA
TOURS
(A unit of Sahyog Hospitality Services Pvt. Ltd.)

Sahyogmantra Tours invites you for a Monsoon Trek to **Harihar Fort**.

Type : Hill fort

Fort Range : Trimbakeshwar

District : Nasik

Height : 3500 feet

Difficulty : Medium

Base Village : Nirgudpada

Harihar is a beautiful mountain that appears stubborn and intractable with its sphinx-like countenance and its straight-up flight of steps that look mesmerizing. Climbing the stone ladder is like doing a trapeze act in the sky. We have arranged an offbeat night and thrilling trek to fort Harihar in the Trimbakeshwar Region, Nasik.

About the fort:

Fort Harihar is a triangular massif with sheer vertical walls & edges. The only way up the fort is by climbing rock cut steps in a 70 degree rock edge. There are a couple of caves, a storage house, water tanks, a pond & a temple atop the fort. The top offers one a bird's eye view of the entire region & also gives one the gratification of having gotten over the fear of heights.

Detailed Schedule:

(Night Starting from CST via Kasara Slow and Last Local)
