• One Day Monsoon Trek to Matheran via Garbett Plateau

The climate of Matheran is very cool. The most unforgettable things about Matheran are deep forest and the waterfalls nearby, especially in rainy season. The beauty of the hill station gets doubled in monsoon. Matheran is truly 'The Best Hill Station in Maharashtra'.

Matheran is most splendid hill station in Maharashtra; it covers an area of 8 square kilometers in Sahyadris. This lovely spot was discovered in 1850 by Hugh Poyntz Malet, the collector of Thane district. Garbett point is located on South-west side of Matheran with a grand view of the plateau.
